

## Senior Citizen's Week @ Woodland

**2008 Senior Citizen's Week**

---

**MARCH 2, 2009**

We have received the 2009 Camp schedule from David Pound. This year's Senior Citizen's Week will be September 14-18, 2009. The theme this year will be "Claiming God's Promises."

We may not have as many "Woodland Wanderings" as in the past two years but we wanted to get out an introductory letter at this time. We will be announcing the speakers as soon as all are confirmed. The director's again this year are J. R. & Pie Satterfield and Dick & Janell Lewis.

Yours in Jesus,

Larry Miles
